# Lego 75328

STAR WARS
THE
MANDALORIAN

# *Installation Guide*

GLOW BRICKS

First of all, take base off from the expand the corner by the 1x2 plates attached

Put the 1x8 and the 1x2 at the bottom as shown, then cover them by the 1x10 and 1x2

It would be look like this, with the expanded corners beside the name tag

Place the spotlights at the corners then the light installation is done

Now you can put the helmet back and power up by the lights by either USB or battery

*Beware, if you powered by power bank with protection it might be turned off by itself due to the power consume is too little, then you need to power by AC adaptor or use the battery
